This large cortijo styled Andalucian finca presents a captivating blend of traditional Spanish architecture and luxurious rural living. The main building, typically whitewashed, exudes a timeless elegance with its terracotta roof tiles and distinctive arched doorways and windows. This finca sits in extensive grounds, surrounded by the natural beauty of Andalucia with large open views of the distant mountains and valley.

Property Details:

As you drive up the meandering driveway to this property you are already anxious to see the property that awaits. The property certainly does not disappoint, sitting majestically on its own hillside with large open views. This property is very special.

An impressive staircase invites you into the property and directly into the entrance hall with cool tiled floors, high ceilings with exposed wooden beams, and traditional Spanish decor. The space

is both luxurious and inviting, leading into the main house.

Entering into the main house you can see directly through to the inner courtyard at the rear or the property, what a lovely feature. The courtyard is almost beckoning you forward to rear of the property.

The living areas boast french doors that open to the courtyard and gardens, allowing natural light to flood the rooms. The interiors feature rustic charm with tiled floors, wood.leilowisty.
