

Sea, Gibraltar and Africa. Don't miss out this opportunity to acquire the last remaining villa of this popular development that will be completed Q3 – 2023.

Our beautiful villas are suitable for couples, working trips, and families both large and small. They have a modern design and a large outdoor area with a private pool, sun loungers, seating etc. Perfect sunny Marbella weather where one can either just relax or go on excursions, shopping, festivals and more.

All three villas are advanced into their construction and due to be completed 1st quarter of 2023
