R4298674		Detached Villa				765.000€	

FOR SALE; DETACHED VILLA IN URB. SIERREZUELA. MIJAS.

Located in a quiet area and residence, very private, with views and orientation to the West, with a constructed area of 423 meters² on two floors and a plot surrounding the entire house of 1451 meters².

Ideal to live all year round or as a second family residence close to all kinds of businesses and shops in the area. A family home built at the end of the eighties, with large spaces and good materials that could become your dream home with some modernization reform.

Entering the property, we enter through the upper floor, accessing a spacious hall with a large white marble window with a balcony that allows us to see the living room from above. On this same floor, we have a master bedroom, with a private terrace with infinite views, a dressing room and an en-suite bathroom. On the other side of the corridor, two large bedrooms ooms 0 0Mrehis

From one side of the house, we access to the basement, a large open space with a sauna, a bathroom, a storage area and a large studio (this area can be converted into a flat independent from the house).

The property has a garage and parking area for up to 4 cars.

The property has central heating, fireplace, alarm, adsl, marble floors, glazing etc....

A villa with views to the mountains of Mijas Golf where you will enjoy the sunlight all day long, !
