One-Bedroom Duplex in Los Boliches, Seconds from the Beach

Magnificent duplex in the heart of Los Boliches, just steps from the beach, in the best and most convenient area, with two terraces, very sunny, spacious, and recently built.

You'll love it for:

- The brightness throughout the apartment, with large windows in both the living room and bedroom, making the most of the natural light.
- Well connected, in a quiet and central area, just two minutes from the beach or five minutes' walk from Los Boliches train station.
- Good distribution with a great sense of space.
