Built on the beachside of the main A7 coast road, wherever you are in Marbesa is just a short walk through the quiet leafy streets to the sandy seashore with its magnificent views across the Mediterranean. There is a real community feeling in this small urbanisation, which has grown up around the development of homes inspired by the feel of a traditional Andalusian white village. The properties for sale in Marbesa offer exceptional value for money – especially for substantial homes on sizeable plots near the beach in Marbella – and have excellent investment potential.
